Performa: Retailer Demo Software Customization (9/93)

Article Created: 20 September 1993

```
    * RESTRICTED: Apple Internal and Support Providers Only *
                 Not For General Public Release
```

TOPIC ---

The Performa demo program on display in my store shows a splash screen
advertising a competitor's store. How do I change this?

DISCUSSION --

You must customize the demo for specific retailers using the Customize
application. Just launch the Customize application, and select the
correct retailer from the list of retailers provided.
