Seikonic Light Meter: Where To Obtain Replacement Battery (7/94)

Article Created: 19 July 1994

* RESTRICTED: Apple Internal and Support Providers Only *

TOPIC -----

I have the original Seikonic light meter and the battery has died. Where can I get a replacement?

DISCUSSION -----

There is no "official" replacement battery for the meter, a camera shop or drug store which sells watch and camera batteries should be able to match up the battery.
