TechStep: Testing Non-Apple SCSI Hard Drives

Article Created: 10 April 1992

* RESTRICTED: Apple Internal and Support Providers Only *
Not For General Public Release

TOPIC -----

Can I test non-Apple SCSI hard drives with the Apple TechStep SCSI HD test?

DISCUSSION -----

Yes, but note that Apple has not tested all non-Apple drives, so we cannot guarantee that they meet Apple standards and that the Apple TechStep SCSI HD test will function as designed. However, we have no indications that the test will not work properly with non-Apple SCSI hard drives.
