Newton MessagePad: Newton Data Viewer Not Available (12/94)

Article Created: 19 April 1994

Article Reviewed/Updated: 8 December 1994

TOPIC -----

Bundled with my Connection Kit 2.0 software is a card I can send in for some free software. What is this software, and what does it do?

DISCUSSION -----

The card can be sent to Apple in order to receive the Newton Data Viewer software from StarCore. The card states that it takes 4-8 weeks for delivery of the software.

What is the Newton Data Viewer?

Mobile Information Management is as close as your Newton with Newton Data Viewer, an exciting new software title, available from StarCore.

With the Newton Data Viewer software, you can now take any text, spreadsheet or list file from your desktop computer to your next meeting with the Newton MessagePad. All you need to do is download the data to your Newton MessagePad. Once the information is on your Newton MessagePad, you can review and update any of the files. With the Newton Data Viewer, all your information is at your fingertips.

Availability

The Newton Data Viewer software is not currently available.
