Newton: What to Do When Newton Crashes (7/93)

Article Created: 30 July 1993

TOPIC -----

My Newton froze and won't let me do anything. I can't even turn it off.
What do I do?

DISCUSSION -----

If your Newton freezes or "hangs," take your stylus and press the Reset button in the battery compartment on the back of your Newton. This should allow you to restart your Newton.
