## Newton: Numbers Converted to Words (7/93)

Article Created: 30 July 1993

TOPIC-----

When I write numbers, Newton converts them into words. How can I change this?

DISCUSSION-----

Make sure you have the "numbers," "telephone numbers," "dates," and "times of day" options checked in the Recognizers Preferences area. To get there, tap the Extras button, tap Preferences, then tap Recognizers.
