Newton Connection Kit: Disk Errors Occur When Exporting (8/94)

Article Created: 2 August 1994

TOPIC -----

I am using the Newton Connection Kit 2.0 with my Quadra 700, and everytime I try to export into the DateBook Pro format, I get a disk error message. What is wrong?

DISCUSSION -----

Remove any digital ink from the Calendar application on the Newton MessagePad, and the problem goes away.
