AppleLink-Channel Edition: Window Size On Macintosh II Or SE

This article last reviewed: 8 November 1988

If you have problems with window size while running AppleLink-Channel Edition
on a Macintosh II or SE, there is a patch, available on AppleLink, that will
correct it.

Follow this path in AppleLink-Channel Edition:

  AppleLink

    Headlines & Guide

      AppleLink HelpLine

        AppleLink: Helpful Hints and Software Updates

          - AppleLink Patch for New Macintosh Products (instructions)
          - New Products Patch (the patch itself)

Download the patch. To install it, double-click on its icon.
