locations where you can find the Information Alley - listed by online service.

DISCUSSION ---

What is the Info Alley?
=====================

The "Information Alley" is a publication of Apple Computer, Inc., Service
and Support Engineering. It is available to all Apple customers and Apple
computer users through electronic mail (e-mail).

The goal of the "Information Alley" is to help Apple computer users get
full use of their Apple computers, peripherals, and software. You are
welcome to distribute the "Information Alley" to anyone.
