AppleCD 150: Supports Foreign File Access (Discontinued 1/94)

Article Created: 9 April 1992

Article Last Reviewed:

Article Last Updated:

TOPIC -----

Does the AppleCD 150 support Foreign File Access?

DISCUSSION -----

Yes.

The AppleCD 150 has the same internal mechanism as the AppleCD SC Plus.

CDs using ISO 9660 and High Sierra formats provide faster file location than those implementing HFS. Foreign File Access handles the conversion of File Manager calls to ISO 9660 and High Sierra discs.
