LaserWriter 12/640 PS: White Streaks on Printout (6/96)

Article Created: 13 June 1996

TOPIC -----

I am getting white streaks on my printouts from my LaserWriter 12/640 PS printer. How can I correct this?

DISCUSSION -----

You need to clean the mirror inside the LaserWriter 12/640 PS printer.

Cleaning the LaserWriter 12/640 PS Mirror
=====

Step 1

Open the printer cover.

Step 2

Remove the toner cartridge.

Step 3

Slide the yellow plastic square back and forth.

This removes any toner residue.

Step 4

Replace the toner cartridge.

Step 5

Close the printer cover.
