LaserWriter IIf and IIg: Hard Disk Support

Article Created: 7 October 1991

Article Last Reviewed:

Article Last Updated:

TOPIC -----

- 1) Will my existing LaserWriter IINTX hard disk work with a LaserWriter IIf or IIg?
- 2) What hard disks are supported?

DISCUSSION -----

- 1) Yes. Existing hard disks work with the LaserWriter IIf and IIg, but need to be reformatted.
- 2) We tested the LaserWriter IIf and IIg only with Apple's hard disks, but we expect these LaserWriters will work with any standard Macintosh SCSI-compliant hard disk.
