LaserWriter Select 360: Multipurpose Tray Isn't Available (6/96)

Article Created: 14 June 1996

TOPIC -----

I have a LaserWriter Select 360 printer and I need to replace the multipurpose tray. My Apple service provider has not been able to order me a replacement tray. Why?

DISCUSSION -----

The Multipurpose Tray (P/N M2037G/A) for the LaserWriter Select 300, LaserWriter Select 310, and LaserWriter Select 360 is no longer available. The multipurpose tray came with the LaserWriter Select 360 and was an option available for the LaserWriter Select 300 and 310 printers. However, this part is no longer available either as a finished good part, or a service part.
