LaserWriter Printers: Where To Find Paper Specifications

Article Created: 15 January 1992

Article Last Reviewed:

Article Last Updated:

TOPIC -----

Where can I find information about the recommended paper types for the LaserWriter printers?

DISCUSSION -----

Apple provides general guidelines and specifications for paper used with LaserWriter printers in the LaserWriter User's Guide that accompanies each printer. This information is also available in the Tech Info Library's individual LaserWriter specifications articles. Search the library under "LaserWriter and Specifications".
