TOPIC -----

I want to use European-size paper (8 7/8 x 12 5/8 inches) in my Personal LaserWriter NT's cassette tray. Is this possible? I couldn't find anything in the spec sheets.

DISCUSSION -----

Apple Service has a European paper tray in the A4 and B5 sizes. The part numbers can be found in the Service Programs binder under the Personal LaserWriter section. Determine which size you need, then contact Customer Service Administration to place an order.
