Portable StyleWriter: Minimum Top and Bottom Margins (12/93)

Article Created: 20 December 1993

TOPIC -----

My Portable StyleWriter won't print the last couple lines of text on several programs I'm using (Quark and Datebook). I have to move the text up about 3/4 of an inch before it would print the entire document.

DISCUSSION -----

Portable StyleWriter Minimum top & bottom margins

Smallest Bottom margin

Smallest Top margin

.60 inches.

.25 inches

Anything above or below these margins will not be printed on the page, even though it is in the document.
