LaserWriter Select 300: Word 4.0 Incompatible (3/94)

Article Created: 11 Mar 1994

TOPIC -----

There is an incompatibility between the LaserWriter select 300 and Word version 4.0.

DISCUSSION -----

The word wrap is incorrect when using Word 4.0 and printing to a LaserWriter Select 300. Words are printed in the margins, or are printed on top of one another.

Version 4.0d is needed for compatibility. Contact Microsoft Corporation for an upgrade to Word 4.0.
