Apple Printers: Can Print Postnet Codes (11/95)

Article Created: 29 November 1995

TOPIC ---

Can I print bar codes on my envelopes from Apple printers, that can be read by
the U.S. Postal Service?

DISCUSSION --

The Bar Code standard for the U.S. Postal Service is called Postnet.

There are a several third-party commercial and shareware packages available for
Apple printers to generate Postnet characters.
