## Enhance Cable Technology

Article Created: 12 April 1994

Article Reviewed/Updated: 8 November 1995

Enhance Cable Technology

-----  
2035 O'Toole Avenue  
San Jose, California 95131

Phone: (800) 717-8757  
          (408) 232-0200  
          (408) 232-0205  
Fax:    (408) 232-0210

Previous phone number, (800) 343-2425, has been disconnected.

Company Profile: Enhanced Cable Technology provides cable adapters for Apple Multiple Scan Displays. These cable adapters allow multiple frequency monitors to be used on Macintosh computers that only support one frequency. The cable adapters can also be used on other multiple frequency monitors manufactured by other vendors.

Enhance Cable Technology sells individual cable adapters through MacMall (800) 222-2808.
